## Jurisdiction

Pursuant to the General Administrative Law Act, stakeholders can submit a written notice of objection to decisions or measures of Energie Consult Holland BV which relate to inspection or certification activities within the framework of the Pressure Equipment (Commodities Act) Decree, based on the Pressure Equipment Directive. To do so, a notice of objection must be lodged with the Technical Manager of Energie Consult Holland BV, Hertzstraat 14, 6716 BT Ede, the Netherlands within six weeks of the date this decision was sent.

Insofar as these do not conflict with the above provision, all contracts will be carried out in accordance with the stipulations included in The New Rules 2011 Legal relationship client – architect, engineer and consultant (DNR 2011), filed at the Registry of the District Court of Amsterdam under number 139/2004.
